## *Other Professional Development*

### **Symposium: Creative Approaches for Ecological Landscaping**

The ninth Annual Land Ethics Symposium sponsored by Bowman's Hill Wildflower Preserve will be Feb. 19 from 8am-4pm at the Sheraton Buck's County in Langhorne. The symposium will feature regional and national experts who will focus on how to create economic and ecologically balanced landscapes using native plants and restoration techniques. Registration form with payment of \$100 (\$66 for full-time students) must be received by Feb. 9.

### **'Manure DuJour' Lunchtime Agricultural Webinars Offered**

Research and practices for Pennsylvania's animal agricultural operations and best protection of air and water quality are the focus of a free weekly lunch hour program, "Manure Du Jour: Serving Pennsylvania's Best Practices on Animal Ag, Water, and Air Quality," offered through April 16. The webinar will feature experts from numerous organizations and universities and is sponsored by Penn State University's College of Agricultural Sciences Cooperative Extension and others.

## Nutrient and Carbon Trading Seminars Scheduled

The Pennsylvania Association of Conservation Districts, the Pennsylvania Environmental Council and the Capital Resource Conservation and Development Area Council will host one-day seminars in State College Feb. 12, and in Lancaster Feb. 19. The seminars are geared toward farmers and other landowners and will summarize environmental markets and best management practices, how nutrient trading works and the financial benefits of trading. Contact Brenda Shambaugh at 717-238-7223, Ext. 19 or by e-mail at [Brenda-Shambaugh@pacd.org](mailto:Brenda-Shambaugh@pacd.org) for reservations.
